РЪКОВОДСТВО ЗА УПОТРЕБА

Това ръководство се отнася за следните лампи:

Инсталиране

1

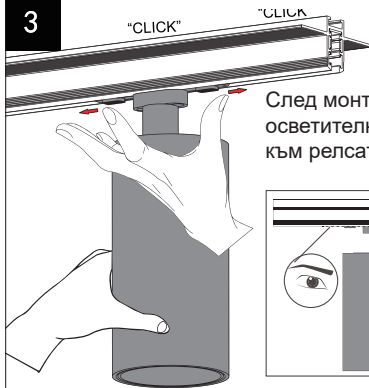

Изключете
захранването

2

Дръжте лампата с едната
ръка и натиснете двата
предпазни бутона към средата
с другата ръка, докато
поставите лампата в релсата.

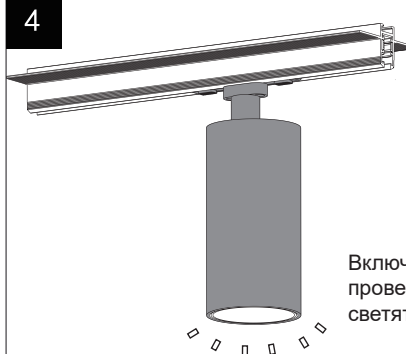

3

След монтажа проверете дали
осветителното тяло приляга напълно
към релсата и няма издатини.

4

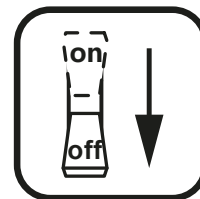

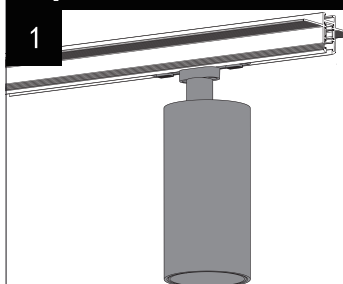

Включете
захранването

Включете захранването и
проверете дали светлините
светят.

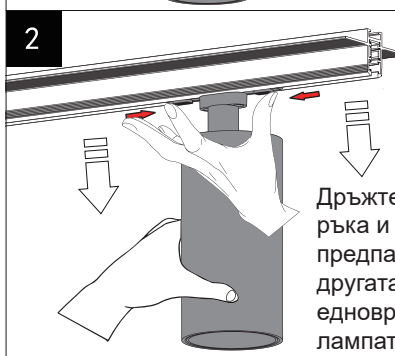

Премахване на осветителните тела

1

Изключете
захранването

2

Дръжте лампата с едната
ръка и натиснете двата
предпазни ключа настрани с
другата ръка, като
едновременно издърпате
лампа от релсата.

Bedienungsanleitung

Diese Bedienungsanleitung gilt für die folgenden Leuchten

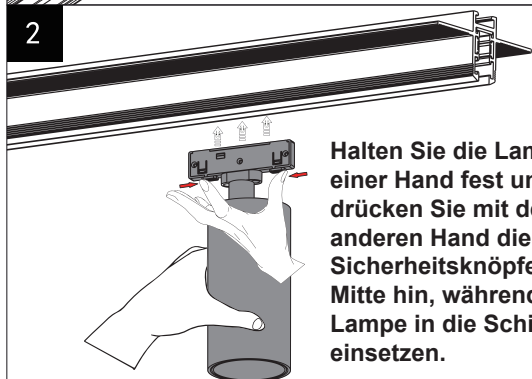

Installation

1

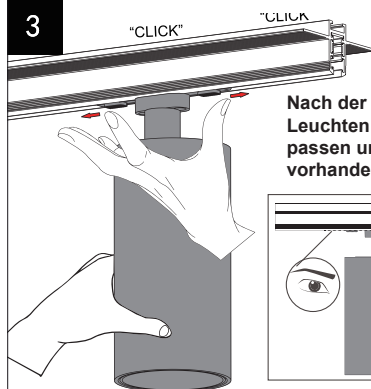

Schalten Sie die Stromversorgung aus

2

Halten Sie die Lampe mit einer Hand fest und drücken Sie mit der anderen Hand die beiden Sicherheitsknöpfe zur Mitte hin, während Sie die Lampe in die Schiene einsetzen.

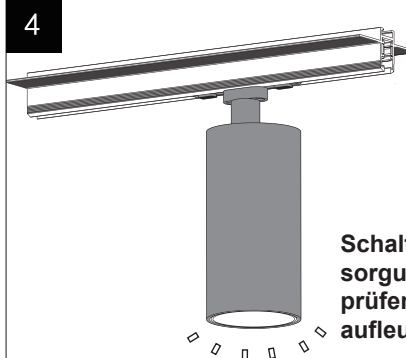

3

Nach der Installation überprüfen, ob die Leuchten vollständig in die Schiene passen und keine hervorstehenden Teile vorhanden sind.

4

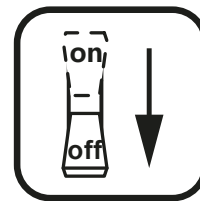

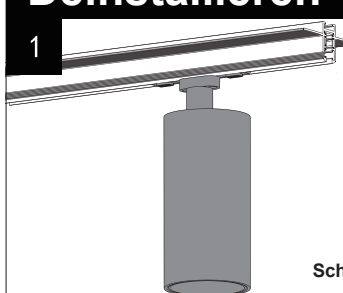

Schalten Sie den Strom wieder ein

Schalten Sie die Stromversorgung ein und überprüfen Sie, ob die Lichter aufleuchten oder nicht.

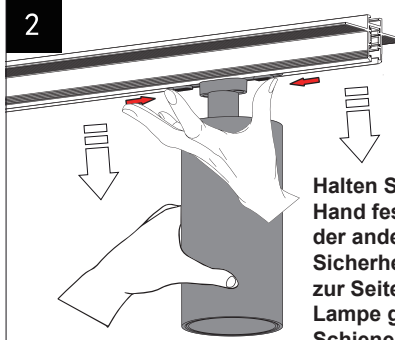

Deinstallieren

1

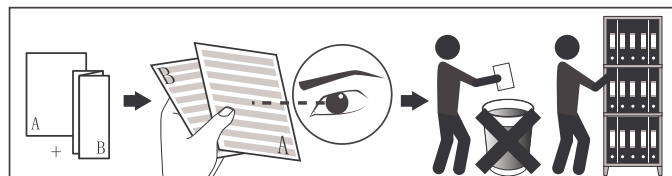

Schalten Sie die Stromversorgung aus

2

Halten Sie die Lampe mit einer Hand fest und drücken Sie mit der anderen Hand die beiden Sicherheitsverriegelungstasten zur Seite, während Sie die Lampe gleichzeitig aus der Schiene herausziehen.

MANUALE DELL'USO

Questo manuale si applica alle seguenti lampade:

Installazione

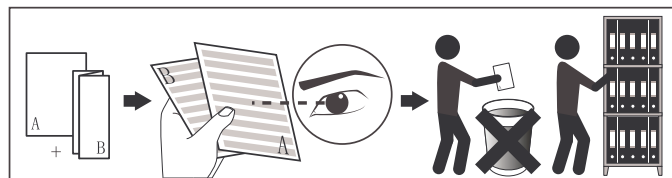

1

2

Tenete la lampada con una mano e premete i due pulsanti di sicurezza al centro con l'altra mano mentre inserite la lampada nella guida.

3

Dopo il montaggio, controllare che il corpo illuminante sia perfettamente aderente alla guida e che non presenti sporgenze.

4

Accendere l'alimentazione e verificare che le luci siano accese.

Rimozione degli apparecchi di illuminazione

1

2

Tenete la lampada con una mano e premere i due pulsanti di sicurezza laterali con l'altra mano, tirando contemporaneamente la lampada fuori dalla guida.
